

## City of Alcoa Public Works Department **WATER TREATMENT PLANT OPERATOR**

The City of Alcoa Public Works Department is accepting applications for the position of **Water Treatment Plant Operator**.

This is a safety sensitive position that requires skilled, technical work in the operation of the City's water treatment plant. Candidates for WTP Operator will be required to obtain a Grade IV certification. Employees in this class also perform a variety of skilled and semi-skilled tasks associated with the operations & services of the Public Works Department. The ability and willingness to work rotating shifts including evenings, nights, weekends, and holidays are required. Starting hourly rate (DOQ) \$20.59- \$21.63. High school diploma or equivalent and a valid State of Tennessee driver's license are required.

Hiring preference may be given to applicants with water treatment operating experience, and/or post-secondary education in chemistry, biology or other related science field that would allow a candidate to obtain a Grade IV certification in an expedited timeframe.

Interested persons may view the complete job description and submit an application online on the City website at [www.cityofalcoa-tn.gov](http://www.cityofalcoa-tn.gov). Applications must be submitted online no later than 4:30 p.m., **September 23, 2022**.

The City of Alcoa is an Equal Opportunity / Affirmative Action employer & Title VI compliant. **No phone calls please.**
