

# FREE Registration for the 2023 Tennessee Damage Prevention Summit

To qualify for the Tennessee Underground Utility Damage Prevention Scholarship the attendee must be employed by an organization that meets both the following requirements:

- \* the recipient must be a representative or employee of an Excavator or Small Utility (less than 5,000 customers); and
- \* the Excavator or Small Utility is a new attendee of the Summit and has not had a representative or employee attend the Summit previously in 2018, 2019, 2020 or 2022.

Scholarships shall be awarded on a first come basis and shall be granted for up fifty (50) individuals.

If you meet the qualifications and are interested in attending this one-of-a-kind event that focuses on public safety and damage prevention, email the Summit team at [thesummit@aligningchange.com](mailto:thesummit@aligningchange.com) or give us a call at 501-548-6363 and reserve your spot today.
