Invites Applications For The Position Of:

Treatment Plant Shift Operator-Water Services

We are an equal opportunity employer that values diversity at all levels. All individuals, regardless of personal characteristics, are encouraged to apply.

SALARY:	\$64,994.46 Annually
DEPARTMENT:	Metro Water Services
DIVISION:	Operations
OPENING DATE:	02/28/23
CLOSING DATE:	03/10/23 11:59 PM

POSITION DESCRIPTION:

The **Treatment Plant Shift Operator-Water Services** position performs the supervisory duties and the skilled work involved in the operation of a water or wastewater treatment plants to produce a quality of water or wastewater in compliance with federal and state environmental regulations. Performs related duties as required.

Employees at Metro Water Services (MWS) work around the clock to supply, treat, manage, and protect our water resources in a sustainable manner for the benefit of all who live, work, and play in our community. Our dedicated, diverse workforce provides high quality drinking water and the best in wastewater treatment, storm water management, and waste collection services for our customers in the Nashville-Davidson County area. Our employees work together to service more than 210,000 water and 216,000 sewer accounts along with over 150,000 curbside waste collection customers. We are looking for highly engaged individuals to join our team.

TYPICAL DUTIES:

Wastewater:

- Operate the plant to meet all NPDES (national pollutant discharge elimination system) permit, SWPPP (stormwater pollution prevention plan) and other applicable requirements, including the proper collection and transport of regulatory samples.
- Supervise the work performance of plant technicians.
- Collect and analyze process control samples and make proper plant adjustments.
- Complete required operational documentation (plant operational logs, personnel evaluations, etc.).
- Communicate operational and personnel issues to other supervisors and managers.
- Teach, train, and mentor plant technicians to increase their understanding of plant operations and wastewater treatment processes.

Water:

- Manage each shift efficiently.

- Supervise Treatment Plant Technicians.
- Perform chemical analysis.
- Ensure chemical feeds are at proper levels.
- Manage flow distribution throughout the plant.

MINIMUM QUALIFICATIONS:

High School Diploma and three (3) years experience in the daily operation of a water or wastewater treatment plant, including one (1) year of experience leading or supervising in the operation and maintenance of a water or wastewater treatment plant.

Employees must register for the Metro Human Resources Supervisory Training Program prior to completion of the probationary period or work test and must complete all coursework within a 12-month period.

***For this specific position, additional education may be considered in lieu of some experience.**

LICENSE REQUIRED:

Valid Driver License

Wastewater Only: Tennessee Wastewater Operator's Certification of Competency - Grade IV for treatment plant operations.

Water Only: Tennessee Water Operator's Certification of Competency - Grade IV for treatment plant operations.

Candidates with accreditations earned in a foreign institute are encouraged to apply.

Note: Per Metro Ordinance No. SO94-1078. All employees of the Metropolitan Government shall be residents of the State of Tennessee or become residents of the state within six (6) months of employment as a prerequisite to employment with the Metropolitan Government.

PREFERRED EXPERIENCE, KNOWLEDGE, SKILLS, AND ABILITIES:

- Experience supervising employees in a 24 hour treatment plant
- Experience using material, methods and equipment used in a treatment plant

We are an equal opportunity employer that values diversity at all levels. All individuals, regardless of personal characteristics, are encouraged to apply.
