

SCHOLARSHIP PROGRAM 2025

Supporting Females as Future Leaders in Public Utilities

DEADLINE

NOVEMBER 20

\$1,000 SCHOLARSHIP

- Female employee or dependent of a member of TAUD (full or part-time working over 20 hrs./wk.).
- Enrolled or planning to enroll in an accredited college or university.
- Majoring in a field related to public utilities.

SELECTION CRITERIA

Applicants will be evaluated based on eligibility and the content of their personal statement, which should outline their reasons for applying, relevant experience, educational achievements, and interest in advancing public utility-related fields. Final selections will be made at the committee's discretion after comparative review.
